Unleash your creative thinking skills for more effective innovation

Remember how creative you were when you were younger, when anything seemed possible? In our fast-moving world of “busy work”, we rarely make time to allow ourselves to simply think differently. Tapping into your creative thinking ability will make you more effective in your role and make your job more exciting and rewarding. Our proven, step-by-step techniques will help you tap back into your creative potential, allowing you contribute better ideas and more creative solutions to become a more effective leader.

■ WORKSHOP CONTENT

Built on the premise that Creativity is not necessarily a skill, but more a mindset, this practical yet insightful workshop begins by examining the way we think to unlock a deeper understanding of creativity. The following stages look at developing a system for maximising creative thought in the workplace, including methods for creative problem solving, brainstorming and mind stretching. Tools for overcoming barriers to creativity and for promoting clearer, more productive thinking, round out the workshop material.

■ LEARNING OUTCOMES

Upon completion of this workshop, participants will be able to:

- Have confidence in their ability to access new thinking and creative thinking
- Have the ability to generate new ideas individually and within groups
- Recognise the barriers that limit your ability to think differently

■ UNLOCK YOUR POTENTIAL

Unlock your innate ability to think creatively and become a more innovative problem solver with this instructive and tailored workshop.
