Prepare to lead in a world of increasing change and complexity

As the world of work continues to face change from both internal and external factors, leaders, managers and team members must equip themselves with the skills and mindset to not only adapt to change, but to thrive. Individuals in all positions require guidance and clarity from their leaders and colleagues, which provides the basis for sustainable productivity in the face of uncertainty. By sharpening their skills as change managers, leaders are able to provide their teams with structure, certainty and confidence.

WORKSHOP CONTENT

This workshop builds on techniques used to identify common reasons for resistance to change, and helps participants deepen their understanding of how people behave during times of stress and uncertainty. Explore effective techniques to inspire new perspectives and work through scenario-based exercises to learn how careful planning and thoughtful implementation can ensure organisational goals are realised.

LEARNING OUTCOMES

Upon completion of this workshop, participants will be able to:

- Identify the driving forces of change within organisations
- Differentiate between the various stages of change
- Identify common effects on attitude and morale

- Manage reactions and resistance to change
- Implement strategies for managing and combatting negativity
- Plan, implement and monitor factors of change
- Understand your role and challenges as leader in the context of change
- Develop action plans to assist staff adaptation and progress
- Leverage and understand Emotional Intelligence
- Build resilience and maintain psychological safety
