Discover high-performance leadership to drive exceptional results

Our Senior Leadership Development Program aims to tune and develop the skills needed for those more experienced leaders who are vital to driving outcomes and shaping the future of your organisation. This fully customised leadership development solution is aligned specifically with your organisation and the development objectives for your people. Ideal for middle to senior managers, right through to your senior executive team. Participants will work with experienced Leadership Facilitators who will encourage and challenge their learning, setting them up for immediate success upon return to the workplace.

PROGRAM CONTENT

The program encourages participants to interact with their peers, learning from each other's experiences and strengthening valuable networks. One-on-one coaching, facilitated sessions and experiential activities allow these leaders to practise newly gained skills in a safe, non-threatening environment. A combination of group work and skills practice provides a counterpoint to the individual reflection and action-planning sessions

LEARNING OUTCOMES

At the end of this workshop, it is expected participants will be able to:

- Shape and instil team pride and purpose
- Ensure context and translation of the team vision and direction
- Manage and grow team capability
- Understand and implement High Performing Team principles

- Develop a deeper understanding of behaviours and how best to communicate and lead talented and diverse people
- Define and assign work to be done, communicate needs and expectations
- Implement continuous improvement strategies within the team
- Gauge team strengths and areas of improvement
- Manage performance in a constructive manner
- Guide critical conversations including feedback and coaching
- Develop leadership disposition
